## **How We Treat Detainees**

Letters to the Editor  
New York Times  
July 4, 2005

To the Editor:

Re "Senators Laud Treatment of Detainees in Guantánamo" (news article, June 28): It's remarkable that anyone could view as humane the indefinite imprisonment of a person who is given no access to his family, a lawyer or a court. This is perhaps the highest level of inhumane treatment.

*Ken Swensen  
Pound Ridge, N.Y., June 29, 2005*
